What happened on April 8, 2026?

Pedro Corona experienced a mental health crisis on April 8, 2026. His friends, along with his mother, called emergency services by phone. When the paramedics subsequently contacted the police, Pedro ended up strapped to his stomach, forcibly medicated, and covered with two spit hoods. Due to oxygen deprivation, Pedro suffered cardiac arrest. He was resuscitated after 23 minutes and now lives in a nursing home with severe brain damage. You can find more information here .
